Questions

1. Who will be talking with and keeping in touch with the parent/carer? (Working together towards outcomes, reviewing arrangements etc.) and how often
2. How do we assess and evaluate the provision we have arranged for your child? (effectiveness, outcomes, progress)
3. Where can parents/carers find additional information e.g. SEND policy, LA Local Offer

Answers

1. Discussions between the parent / carer and school will take place regularly. The class teacher should be your first point of contact as you will see them on a daily basis. The school SENCo (Annette Metcalfe) and the school parent partnership advisor (PSA) Nikki Wilkes are also available to offer support and advice. Upon parental request appointments can be made with the Head teacher
2. Using the plan, do, assess and review cycle, we closely monitor, assess and review the progress your child is making each half term (more frequently for intervention activities) Internal assessments take place prior to and after intervention has taken place.
