

Crooksbarb Curriculum Overview –Themes

At Crooksbarb we teach non-core subjects on a two year rolling programme, this is largely due to the fact that we have to have mixed classes due to the numbers we have on roll.

However, it also allows teams to work closely together and the children to access a wider range of possibilities.

Below are the themes we try to follow and link much of our work to, obviously not all areas of the curriculum can be linked and some aspects may need to be taught discretely.

Term	Year A	Year B
EYFS		
Autumn	We are Amazing & Light and Colour	All about me (Nursery) Each Peach Pear Plum (Reception) / Under the sea & Food
Spring	Traditional Tales & Community and Buildings	Weather & Bears
